The LSV vehicles referenced herein have been designed and manufactured to comply with the United States National Highway Transportation and Safety Administration's Low Speed Vehicle rules and regulations. The operation of these vehicles is also subject to all applicable State and Local Laws, the effect of which may be to further limit or prohibit the lawful operation of these vehicles in certain environments. Do not operate these vehicles without a valid and appropriate State-issued driver's licence. Tomberlin supports only the safe and legal use of our products and, therefore strongly recommends that you inquire with the relevant State and Local municipalities before attempting to operate these vehicles on roadways or in closed communities. Do not operate these vehicles in violation of applicable Law, contrary to the instructions or recommendations contained in the Owner's Manual or in a manner that impedes traffic. To reduce the risk of injury, always operate these vehicles in a safe and conscientious manner while wearing the seat belts that come as standard safety equipment on all Tomberlin LSV models. Features, Options, Specifications, Colors and Model designations are subject to change without notice.
